India & Thailand marching hand-in-hand to foster business relations

New Delhi,

AsiaOne Magazine & URS Media organized a Networking Meet called 'India-Thailand: Today, Tomorrow, Together' on 6th February 2020 in collaboration with the India Thai Chamber of Commerce (ITCC) at their premises at Sathon, Bangkok, which was a prelude to the Gala Business Summit namely the 13th Asian Business & Social Forum 2020, held on Friday 7th February 2020 at the Marriott Marquis Hotel, Queen's Park, Bangkok. The exclusive networking Meet of 6th February saw the presence of eminent dignitaries such as His Excellency Mr. Abhisit Vejjajiva, the Former Prime Minister of Thailand and Her Excellency Mrs. Suchitra Durai, the Ambassador of India to the Kingdom of Thailand, who shared their insights about further enhancing the cordial ties between the two nations.

Bent on promoting Asian Brands and leaders throughout the world, URS AsiaOne Magazine endeavoured to enhance the cordial relations between the two countries through its summit – 13th Asian Business and Social Forum and attempted to highlight the fact that India and Thailand share a strong historical and cultural connect. Speaking at the meet, H.E. Mr. Abhisit Vejjajiva asserted, "Thailand and India should leverage their new land link to strengthen ties when the 1,360-kilometre trilateral highway is completed next year." He further stated, "We have to bring Myanmar along and use all

platforms to drive this forward. Land connectivity will make a real difference not just in terms of physical transportation but also to bridge a psychological gap that exists between Thailand and India because we don't share a land border." Talking about the bilateral trade between the two countries, the Indian ambassador H.E. Mrs. Suchitra Durai said that they are doing "reasonably well" and invited "Thai companies to come and invest in India." She added, "around 2 million Indian tourists visit Thailand every year" and hoped that "more Thai people will go to India." The Meet was followed by the 13th Edition of Asian Business & Social Forum 2019–20 & 4th Edition – Asia's Greatest Brands & Leaders 2019–20, which was held at The Marriott Marquis Hotel, Bangkok, Thailand on 7th February 2020 in association with India-Thai Chamber of Commerce, Thailand. Mr. Rajat Shukal, Global Head

& Principal Partner of URS Media and AsiaOne Magazine, and Co-Founder & Partner AsiaOne Media Holdings LLC, declared with pride, "With this 13th Edition of Asian Business & Social Forum, AsiaOne would be completing around 3000 awards in the last 5 years. The entire vision of AsiaOne Magazine is to get Asia on one platform and to disrupt the perceived superiority of the western brands over the Asian brands and this notion gave birth to Asia's Greatest Brands."

AsiaOne Entrepreneur of the Year Winner – Mr. Ajay Harinath Singh, CMD – Darwin Platform Group of Companies also shared that Darwin Avitronics, Arms and Ammunition wing of the Darwin Platform Group of Companies (DPGC), has entered into a Joint Venture with a leading defence product company from Canada – KMG which has extensive market presence in Russia, Hongkong and other countries.

New Delhi [India] Feb 15 (ANI/NewsVoir): AsiaOne Magazine & URS Media organized a Networking Meet called 'India-Thailand: Today, Tomorrow, Together' on February 6, 2020, in collaboration with the India Thai Chamber of Commerce (ITCC) at their premises at Sathon, Bangkok, which was a prelude to the gala business summit namely the 13th Asian Business & Social Forum 2020, held on Friday, February 7, 2020, at the Marriott Marquis Hotel, Queen's Park, Bangkok.

The exclusive networking meet of February 6th saw the presence of eminent dignitaries such as Abhisit Vejjajiva, the former Prime Minister of Thailand and Suchitra Durai, the Ambassador of India to the Kingdom of Thailand, who shared their insights about further enhancing the cordial ties between the two nations.

Bent on promoting Asian brands and leaders throughout the world, URS AsiaOne Magazine endeavoured to enhance the cordial relations between the two countries through its summit - 13th Asian Business and Social Forum and attempted to highlight the fact that India and Thailand share a strong historical and cultural connect.

"Thailand and India should leverage their new land link to strengthen ties when the 1,360-kilometre trilateral highway is completed next year", asserted Abhisit Vejjajiva.

"We have to bring Myanmar along and use all platforms to drive this forward. Land connectivity will make a real difference not just in terms of physical transportation but also to bridge a psychological gap that exists between Thailand and India because we don't share a land border", he further added.

INDIA, Feb. 15 -- AsiaOne Magazine & URS Media organized a Networking Meet called 'India-Thailand: Today, Tomorrow, Together' on 6th February 2020 in collaboration with the India Thai Chamber of Commerce (ITCC) at their premises at Sathon, Bangkok, which was a prelude to the Gala Business Summit namely the 13th Asian Business & Social Forum 2020, held on Friday 7th February 2020 at the Marriott Marquis Hotel, Queen's Park, Bangkok. The exclusive networking Meet of 6th February saw the presence of eminent dignitaries such as His Excellency Mr. Abhisit Vejjajiva, the Former Prime Minister of Thailand and Her Excellency Mrs. Suchitra Durai, the Ambassador of India to the Kingdom of Thailand, who shared their insights about further enhancing the cordial ties between the two nations.

Bent on promoting Asian Brands and leaders throughout the world, URS AsiaOne Magazine endeavoured to enhance the cordial relations between the two countries through its summit - 13th Asian Business and Social Forum and attempted to highlight the fact that India and Thailand share a strong historical and cultural connect. Speaking at the meet, H.E. Mr. Abhisit Vejjajiva asserted, "Thailand and India should leverage their new land link to strengthen ties when the 1,360-kilometre trilateral highway is completed next year." He further stated, "We have to bring Myanmar along and use all platforms to drive this forward. Land connectivity will make a real difference not just in terms of physical transportation but also to bridge a psychological gap that exists between Thailand and India because we don't share a land border." Talking about the bilateral trade between the two countries, the Indian ambassador H.E. Mrs. Suchitra Durai said that they are doing "reasonably well" and invited "Thai companies to come and invest in India". She added, "Around 2 million Indian tourists visit Thailand every year" and hoped that "more Thai people will go to India."

The Meet was followed by the 13th Edition of Asian Business & Social Forum 2019-20 & 4th Edition - Asia's Greatest Brands & Leaders 2019-20, which was held at The Marriott Marquis Hotel, Bangkok, Thailand on 7th February 2020. It was a magnificent event, highlighted by the diplomatic representations from 13 countries and Member of Parliament, Ms. Phetchompoo Kijburana, where some of the Asia's Greatest leaders were recognised and felicitated for their outstanding contribution to the Asian economy and society.

Mr. Rajat Shukal, Global Head & Principal Partner of URS Media and AsiaOne Magazine, and Co-founder & Partner AsiaOne Media Holdings LLC, declared with pride, "With this 13th Edition of Asian Business & Social Forum, AsiaOne would be completing around 3000 awards in the last 5 years. The entire vision of AsiaOne Magazine is to get Asia on one platform and to disrupt the perceived superiority of the western brands over the Asian brands and this notion gave birth to Asia's Greatest Brands. Being excited and elated about the fact that AsiaOne Summit is being held in Bangkok for the first time, he stated, "Bangkok is
